

Osborne School May 2021

Principal's Message

Now that it is May and the snow is gone, it has been great to see some warm weather activities happening at our school. The soccer fields and basketball courts have been busy and I even noticed our 6/7 class heading out for a game of kickball the other day. Spring is in the air.

After the Easter break teachers started issuing "tickets" to students for doing positive things around the school. We are calling this "Bee Awesome" and are excited to recognize the kind and thoughtful acts that occur in our building every day. We will even be having weekly draws and a grand prize draw in June from the tickets that are turned in.

Our teachers are also busy planning different events and activities to keep our students active and interested. For several of these we are waiting for guidance as to how we can implement them safely, and so we ask you to stay tuned for further announcements throughout the month. Others, like the Inspire Youth Empowerment Conference (grade 6-8) are ready to go and will give our students a chance to hear messages from former Humboldt Bronco Kaleb Dahlgren, world-renowned hoop dancer Terrance Littlelent, and country music superstars The Hunter Brothers.

Of course, learning remains our primary focus at Osborne School and we still have a lot to get done. Please continue to check for communication from your child's teacher regarding upcoming assignments and assessments and be sure to contact them if you have any questions.

Finally, as the weather gets warmer we are all looking forward to spending more time out of our classrooms. Please ensure that your child comes dressed in layers each day and with a jacket. Our mornings are still very cool and we want everyone to enjoy being outside.

Mr. Walker, Principal

Mindset Winners

At Osborne Public School we value hard work and determination. Every month we recognize a student in each homeroom who has demonstrated a growth mindset and shown grit. Our April winners are:

K/1 – Lennon Hammond 2/3 – Kesa Thorsen 4/5 – Elsie Nyukeyev 6/7 – William Ross 7/8 – Mason Sawatzky

Poster Contest Winners

This month several of our students were recognized in poster contests within our community. Madelyn Bear won in the Mothers Against Drunk Driving poster contest. In the local Legion Remembrance Day contest, there were two winners. Markus Schneider won 2nd place in the black and white category. Rachel Gibson won first prize in the color contest. It is nice to see their hard work paying off. Way to go, Stingers!

Osborne Garden Project

We are happy to report that our garden plot was created last weekend and we should be ready to start planting as soon as the weather warms up. We will need tools such as hoes, rakes, shovels, etc. and plan to purchase these in the near future. If you have old or surplus garden tools that you wish to donate to this project, we would welcome the donation. Please let us know and we will adjust our shopping plans accordingly. We are also continuing to accept leftover seeds. Thanks for your continued support with this initiative.

Kindergarten Registration for the Fall of 2021

If your child will be of kindergarten age for next fall (he/she will be 5 years old by December 31, 2021) we would like to know. Please phone us at 306- 922-8078, if you know of any other family that has a child of kindergarten age for next year, and lives in the Osborne area, please let them know about us. The information on kindergarten numbers is important for staffing requests and groupings for the fall. Thank you for your assistance.
