Thurs, September 2 – First day back to school for 2021 - 2022 school year

School News:

June Virtue – Gratitude

What ARE you
Thankful for?

Principal's Message

It is hard to believe that June is here and we are heading into the last few weeks of school. Every school year is unique and filled with both challenges and opportunities, but this year we

experienced this to a higher degree than we ever have before. I would like to thank our community again for the patience, flexibility, and support that each of you has shown to each other throughout the process. We really are a small school with a big heart.

I am excited to report that after a long wait our outdoor classroom and learning space has started to take shape. The students have been busy planting the garden and we thank our facilities department for building the pergola to provide some protection from the sun. We are just waiting for the seating to be installed and phase one will be complete. I invite you to check the website for pictures.

There are also many special events planned for the students to wrap up the year. Our students will participate in our school track meet (4-8), talent show, spirit days, and play-day type events. Although we will still keep our classes separate for these events, it will give us a chance to get outside, spread out, and have some fun while we learn.

Finally, I would like to take this opportunity to say farewell. Next year I will be moving down the road to become the principal at St. Louis Public School. Although my two years here have been far different than I expected, I have considered myself lucky to be part of such a caring and supportive community and I value the connections that I have been able to make with each of you. Sylvia Delisle, the current vice-principal at Vincent Massey Public School, will take over in the fall. I know she is eager to join our small school and her caring personality will fit right in with our community and its big heart.

SCC News

Although we have not had the large-scale events this year that the SCC would normally organize for us, they continue to be active contributors to our school. Osborne Public School would like to take this opportunity to thank the members of this group (Sherry Gibson, Crystal Duncan, and Candice Charters) for finding ways to uphold traditions such as the Harvest Dinner, Staff Appreciation Week, and the Year-end Bar-B-Q. The SCC has also made a generous donation to help the school replace iPads that need to be upgraded and a Cricut machine for cutting templates and stencils.

At this time, we would also like to thank Sherry Gibson for her many years of service to the SCC, most recently as the President. Sherry could always be counted on to put in the work behind the scenes planning and organizing events such as the Harvest Dinner, Skate Night, and

Family Fun Night. She also worked diligently at each of these events and rarely took the time to sit back and participate in them. Our school will miss her next year.

We have a number of staff changes at Osborne for the 2021-2022 school year:

Staff leaving Osborne

Greg Walker going to St. Louis

David Bragg going to Christopher Lake

Social Worker: Holly Cochrane

EA: Sydney Marchant

Sincerely,

Mr. Walker

New to Osborne

Sylvia Delisle Principal

Susan Wright Social Worker

School Garden

We want to give a huge shout out to a few people who helped get our garden worked and planted; Mrs. Grimard and Mrs. Magnin for organizing, ordering and planting all the seeds, Doug and Kate Kulcher for the water tank donation, Bill Sokulski for breaking up the garden area and Dave's Rototilling for working it.

We are still looking for volunteers who would be willing to adopt our garden for a week over the summer holidays. We need someone who would be willing to make sure it has enough water and maybe pull a weed or two. Please contact us if this is something you would be willing to do.

Milk Program

We have had a successful year providing milk to our students here at Osborne School. A big thank you goes out to Ms. Frantik for coordinating, picking up, and delivering the milk each week. The milk program will be ending by June 18. Those students who have punches left on their card can finish them again in the fall.

Library News and Reading Room

All library books are due back into the library by Monday, June 21 for the school year-end. We appreciate that parents/guardians help their children find any books

belonging to the library and return them as soon as possible. Overdue lists will be sent home with the students missing items to aid you in looking for these books.

The Home Reading Program will be wrapping up soon as well. Please return all books (green bags) to the school by Monday, June 21.

Grade 8 Farewell

On Thursday, June 24 at 1:00 p.m., we will be saying farewell to our Grade 8 students. More information will be shared with our Gr.8 families closer to the 24th.

SCC Hot Lunch

The Osborne School Community Council will be providing a hamburger lunch to all students and staff on Thursday, June 24 at noon.

Report Cards and Last day of School

Students are finished classes for this school year on Friday, June 25. Report cards will go home that day. Please take the time to read it over with your child.

Osborne School Kindergarten Registration for the fall of 2021

If your child will be of Kindergarten age for this fall (he/she will be 5 years old by December 31, 2021) we would like to know. Please phone us at 306-922-8078. If you know of another family that has a child of Kindergarten age for next year, and lives in the Osborne area, please have them contact the school. We have information brochures on the Kindergarten program in our school. The information on Kindergarten numbers is important for staffing requests and groupings for the fall. Thank you for your assistance.

First day of school

Thursday, September 2, 2021 at 8:50 a.m. is the first day of classes for students in the fall. Please encourage any new families to contact us at 306-922-8078.

Follow your child's heart... if they love drawing, make it a part of their life and help them develop their skills at Christina's Art School!!! We have taught many students (adults included!) this life-long soul nurturing skill of creating artwork. We teach pencil drawing, charcoal, pastels, colored pencils, acrylic painting & watercolor. Whether they develop their love of drawing and art into a hobby, or it is their launch into a secondary school and career, the skills they acquire will be with them for life! We are now taking registrations for year-long classes which start in September. Phone Christina Thoen, Certified Teacher (Art Major) for more information and to register: 961-3350 or register online: www.christinathoen.com also see the student's talent in the yearend Art Show on Facebook at "Christina's Art School"
