March 29 – Good Friday

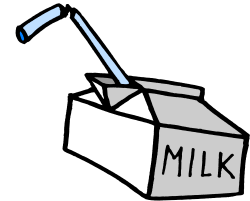

SLC Events

This month the SLC will be selling Valentine's Day Candy grams! Candy grams will be sold for \$1. Notes will go out on February 5th and need to be returned by February 7th. They will be handed out on the 14th. We are also having a spirit day on February 14th and are encouraging everyone to wear pink, red and white to celebrate Valentine's Day!

Milk Program

White milk and chocolate milk can be purchased individually for \$1.50 each or by card. The cards will be sold for \$12.50 and will provide 10 milks. Cards can be purchased from the office, or by using our online payment system, and can be purchased at your convenience throughout the school year.

SCC Lids for Lids

Osborne School, along with the SCC is continuing with the Friday fundraiser called "Lids for Lids". On Fridays, if students pay \$1.00, they will be able to wear their favorite hat in and around the school. Normally our dress code requests that students remove their hats when entering the school. "Lids for Lids" is being run to help fund the replacement of an expired inventory of hockey helmets in the school rink shack.

Community Events

Firebird North Sistema Music Project is creating positive social change in Prince Albert by building a community of youngsters engaged in music and movement. Firebird North provides daily after-school orchestra, dance, yoga, and choral instruction within a community-building framework. All aspects of this program are free to participants. We are accepting new participants at this time. For more information go to our website: firebirdnorth.com or contact Abe at 306-941-7046 or Kathleen at 306-961-7683.

Cold Weather

As we move into February, we can still expect cold weather. Please ensure that your children are dressed appropriately for the conditions of the day. We are outside for recess, if the combined temperature and wind chill are -30 degrees Celsius or warmer. We check the temperature hourly with Environment Canada at http://weather.gc.ca/city/pages/sk-27_metric_e.html. Let's make sure we are prepared!

Allergy Awareness

All Saskatchewan Rivers Public Schools strive to maintain nut-alert environments for the safety and well-being of all students, staff and visitors. We ask that everyone please check food labels to ensure that nut products are not listed as an ingredient when shopping for school food items.

- ✓ Please send nut-free snacks and lunches to school.
- ✓ Cross-contamination is a common cause of anaphylactic reactions. Foods that have come in contact with nut products or contaminated utensils can also trigger allergic reactions.
- ✓ Check packaging labels for peanut/nut ingredients. If a product has “may contain trace amounts of peanuts or nuts” this is NOT safe to bring to school.

As students and staff visit other buildings, for a variety of events, all schools try to keep everyone safe. Our School Division hopes to establish and maintain, but cannot guarantee schools, school environments and buses free of peanuts and nut products. Thank you for your cooperation with this very important safety matter.
